Shireland Collegiate Academy Trust Board

The Board of Trustees of Shireland Collegiate Academy Trust is required to approve a Governance Structure for the Trust on an annual basis, this is also documented with this report.

For this structure to comply, it must be:

- compliant with DfE requirements, company and charity law;
- scalable and so adaptable to growth or change in the Academy Trust;
- capable of being serviced by the Trustees of the Academy Trust and members of each Standards and Performance Committee.

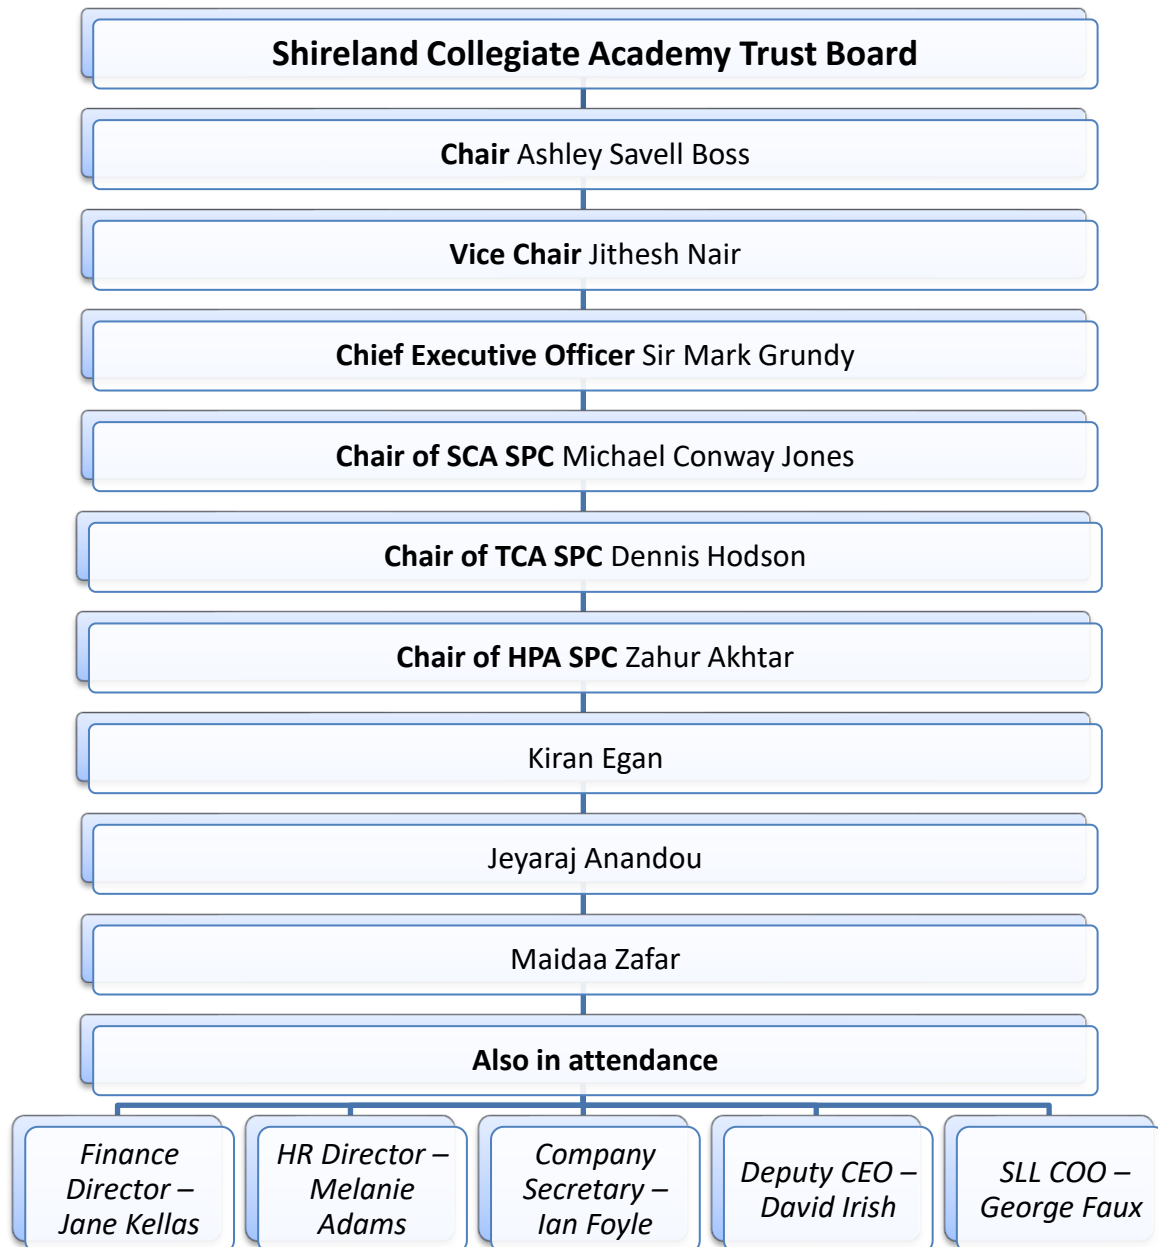

Shireland Collegiate Academy Trust has a strategic role in the running all of the Academies within the Multi Academy Trust (MAT). Subject to the Articles of Association, the Academy Trust can delegate to any Committee, any Trustee holding an Executive office, or to the Chief Executive Officer such of their powers or functions as they consider desirable to be exercised by them. The Academy Trust has approved a Scheme of Delegation defining the powers and functions that are reserved for the Board and its Committees.

Any delegated decision must be reported to the next full Trustees' meeting but a decision taken under delegated powers is binding and immediately effective.

In exercising its strategic role the Academy Trust Board will retain exclusive responsibility for the following:

- Ensuring compliance with the Trust's duties under Company Law and Charity Law and agreements made with the DfE, such as the Funding Agreements and the Deed of Gift;
- The determination of the educational character and mission of the Academy Trust;
- Ensuring the solvency of the charitable trust, safeguarding its assets and delivering its charitable outcomes;
- The appointment or dismissal of the Chief Executive Officer, Principal (where appointed) and Finance Director;
- Ensuring the continued charitable status of the company;
- Setting key strategic objectives and targets and reviewing performance against these for all its academies;
- Approval of the Trust's governance arrangements and Scheme of Delegation;
- Determination of the establishment, constitution, membership, proceedings and delegated powers and functions of the committees and their annual review and revision;
- The approval of Academy Trust policies, not otherwise delegated to committees;
- The approval of annual estimates of income and expenditure for the Trust at the beginning of the academic year;
- To approve the appointment/resignation of the auditors for the Trust on an annual basis;
- The approval of the Trust year end accounts;
- Entering into all contracts on behalf of the Trust;
- To authorise expenditure or income over the value of £100,000;
- To authorise the opening of a bank account;
- To approve the pay structure for the Trust;
- To receive reports from its trading subsidiary company Shireland Learning Ltd (SLL) and to make recommendations to the Board of SLL regarding this company;

Within the Governance Structure for Shireland Collegiate Academy Trust, each Academy will be responsible for the operational decisions and running of their academy. This will be governed by a Standards and Performance Committee (SPC). In addition to the Standards and Performance Committee each academy will also have a Family Forum. The SPC will report any issues back to the Trust Board for consideration or approval when required; any decisions or issues deriving from the board will also be fed back to the SPC when necessary.
