Purpose of the policy

The centre is committed to ensuring that the exams management and administration process is run effectively and efficiently. This exam policy will ensure that:

- ▶ all aspects of the centre's exam process are documented, supporting the exams contingency plan, and other relevant exams-related policies, procedures and plans are signposted to
- ▶ the workforce is well informed and supported
- ▶ all centre staff involved in the exams process clearly understand their roles and responsibilities
- ▶ all exams and assessments are conducted according to JCQ and awarding body regulations, guidance and instructions, thus maintaining the integrity and security of the exam/assessment system at all times
- ▶ exam candidates understand the exams process and what is expected of them

This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions and guidance.

This policy will be communicated to all relevant centre staff.

The Exams Policy is published within the Policies area of the Gateway and also on the Examinations site. Staff are directed to the publication of the policies identified in this document through an announcement on the Gateway. Students are signposted to the relevant information through assemblies delivered by the Exams Officer and all relevant documents are published to families in the Exam Information area on the Student and Family portals.

Roles and responsibilities overview

“The head of centre is the individual who is accountable to the awarding bodies for ensuring that the centre is compliant with the published JCQ regulations and awarding body requirements in order to ensure the security and integrity of the examinations/assessments at all times.

The examinations officer is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

The head of centre may not appoint themselves as the examinations officer. A head of centre and an examinations officer are two distinct and separate roles.”

[GR 2]

Head of centre

- ▶ Understands the contents, refers to and directs relevant centre staff to annually updated JCQ publications including:
 - [General regulations for approved centres](#) (GR)
 - [Instructions for conducting examinations](#) (ICE)
 - [Access Arrangements and Reasonable Adjustments](#) (AA)

[Suspected Malpractice in Examinations and Assessments \(SMEA\)](#)

[Instructions for conducting non-examination assessments \(NEA\)](#) (and the instructions for conducting coursework)

- ▶ Ensures the centre has appropriate accommodation to support the size of the cohorts being taught including appropriate accommodation for candidates requiring access arrangements for exams and assessments
- ▶ Takes responsibility for responding to the National Centre Number Register annual update (administered on behalf of the JCQ member awarding bodies by OCR ocr.org.uk/administration/stage-1-preparation/ncn-annual-update/) by the end of October each year confirming they are both aware of and adhering to the latest version of the JCQ regulations and signs and returns the head of centre's declaration which is then kept on file for inspection purposes

Head of centre declaration

The Head of centre declaration is held by the Exam Officer in order to make it available for inspection.

"All heads of centres will be required to confirm, on an annual basis, that they are both aware of and adhering to the latest version of these regulations. This confirmation is managed as part of the National Centre Number Register (NCNR) annual update (see section 5.3, page 14).

A head of centre cannot delegate this responsibility to a member of the senior leadership team or the examinations officer.

A signed copy of the head of centre's declaration for the academic year 2018/19 must be held on file, available for inspection, as it will be an integral part of the centre inspection. An electronic version of the head of centre's declaration, with an electronic signature, is permissible.

Note:

Failure to respond to the NCNR annual update will result in your centre status being suspended, your centre not being able to submit examination entries and not receiving or being able to access question papers. Ultimately awarding bodies could withdraw their approval of your centre." [GR 1]

- ▶ Ensures the exams officer (EO) receives appropriate support from relevant centre staff and enables the EO to attend appropriate training and other events in order to facilitate the effective delivery of exams and assessments within the centre (as example, EO networking events and relevant events offered by awarding bodies, MIS providers and other external providers)
- ▶ Ensures a named member of staff acts as the Special Educational Needs Co-ordinator (SENCo)
- ▶ Ensures centre staff are supported and appropriately trained to undertake key tasks within the exams process

5.8]

Legislation on sharing information

Under the principles of the General Data Protection Regulations 2018 and the Data Protection Act 2018, children and young adults can assume control over their personal information and restrict access to it from the age of 13.

This suggests that candidate consent should be sought to share results or other exams-related information with a third party.

However other legislation and guidance may need to be taken into account regarding sharing information with parents, as example information from the DfE for schools regarding parental responsibility and school reports on pupil performance:

- ▶ Understanding and dealing with issues relating to parental responsibility www.gov.uk/government/publications/dealing-with-issues-relating-to-parental-responsibility/understanding-and-dealing-with-issues-relating-to-parental-responsibility
- ▶ School reports on pupil performance www.gov.uk/guidance/school-reports-on-pupil-performance-guide-for-headteachers

Publication of exam results

Refer to ICO (Information Commissioner's Office) [Education and Families](#) information and the document [Publishing exam results](#).

- ▶ Ensures the centre has documented processes in place relating to access arrangements and reasonable adjustments

Access arrangements policy

Access Arrangements Policy 2018-19

"... with the obligation to identify the need for, request and implement access arrangements..."

[GR 5.4]

"The head of centre/senior leadership team will...have a written process in place to not only check the qualification(s) of their assessor(s) but that the correct procedures are followed as per Chapter 7 of the JCQ publication Access Arrangements and Reasonable Adjustments..."

[GR 5.4]

- ▶ Ensures staff are only entered for qualifications through the centre as a last resort where the member of centre staff is unable to find another centre
- ▶ Ensures the relevant awarding bodies are informed of any declaration/conflict of interest where a candidate is being taught, prepared, entered or sitting exams where a relevant member of centre staff has a personal connection to the candidate
- ▶ Ensures other relevant centre staff where they may be involved in the receipt and dispatch of confidential exam materials are briefed on the requirements for maintaining the integrity and confidentiality of the exam materials

“It is the responsibility of the head of centre to ensure that his/her centre...informs the awarding bodies, before the published deadline for entries, of any members of centre staff who are either sitting examinations and assessments, or teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or household for examinations and assessments, or where members of their family will be sitting examinations and assessments; Awarding bodies must be informed where members of the family (which includes stepfamily, foster-family and similar close relationships) or household of exams office staff are being entered for examinations and assessments; whether by the centre itself or a different centre.

Note: Heads of centre must note that entering members of centre staff for qualifications at their own centre must be as a last resort in cases where the member of centre staff is unable to find another centre.

The head of centre is responsible for ensuring that proper protocols are in place to prevent the member of centre staff having access to examination materials prior to the examination and that other centre staff are briefed on maintaining the integrity and confidentiality of the examination materials.

The head of centre must ensure that during the examination series the member of centre staff is treated as per any other candidate entered for that examination, does not have access to examination materials and does not receive any preferential treatment.

Note: If a candidate is entered for an awarding body’s examinations at a centre where a relative is employed, the head of centre must ensure that during the examination series the candidate’s relative does not have unaccompanied access to examination materials. For example, question papers, pre-release materials and answer scripts.

If the relative in question is the centre’s examinations officer, then appropriate arrangements must be made to ensure that another person is present for all of the administrative arrangements relating to the candidate’s examinations. (For example, any application for special consideration must be authorised by a member of centre staff other than the candidate’s relative.)”

3. [Access arrangements](#)

Head of centre

- ▶ Ensures there is appropriate accommodation for candidates requiring access arrangements in the centre for all examinations and assessments

- ▶ Ensures the SENCo is fully supported in effectively implementing access arrangements and reasonable adjustments once approved

SENCo

- ▶ Liaises with the EO regarding exam time arrangements for access arrangement candidates

Exams Officer

- ▶ Ensures that the staff appointed to facilitate access arrangements for candidates are appropriately trained and understand the rules of the particular arrangement(s) and keeps a record of the content of training provided to facilitators for the required period
- ▶ Provides and annually reviews a centre policy on the **use of word processors** in exams and assessments in liaison with the SENCo

Word processor policy (exams)

[Word Processor Policy \(exams\) 2018-19](#)

“It is strongly recommended that a centre has a policy on the use of word processors which it can articulate to parents/carers. Principally, that a word processor cannot simply be granted to a candidate because he/she now wants to type rather than write in examinations or can work faster on a keyboard, or because he/she uses a laptop at home.

The use of a word processor must reflect the candidate’s normal way of working within the centre. For example, where the curriculum is delivered electronically and the centre provides word processors to all candidates...

...A member of the centre’s senior leadership team must produce a statement for inspection purposes which details the criteria the centre uses to award and allocate word processors for examinations.”

[AA.5.8]

- ▶ Ensures criteria for candidates granted **separate invigilation within the centre** is clear, meets JCQ regulations and best meets the needs of individual candidates and remaining candidates in main exam rooms

Separate invigilation within the centre

Separate invigilation is granted for those candidates who have an AA which requires them to be in a room on their own, or with candidates who have a similar AA.

Candidates may be granted separate invigilation if they have behavioural issues which are known to the centre and dealt with by removing them from a main stream timetable.

Candidates may also be granted separate invigilation where there is a diagnosed medical need, e.g. they are suffering from an illness which can be passed to other students, yet they are well enough to sit the examination.

There may be other exceptional circumstances whereby separate invigilation is granted but these will be referred to the EO and considered on an individual basis. Candidates will not be accommodated separately simply because they, or their family, requests it.

[See [AA 5.16](#) plus centre-determined criteria]

“...For example, in the case of separate invigilation, the candidate’s difficulties are established within the centre (see Chapter 4, paragraph 4.1.4, page 16) and known to a Form Tutor, a Head of Year, the SENCo or a senior member of staff with pastoral responsibilities.

Separate invigilation reflects the candidate’s normal way of working in internal school tests and mock examinations as a consequence of a long term medical condition or long term social, mental or emotional needs.”

[[AA 5.16](#)]

Senior Leaders, Head of department, Teaching staff

- ▶ Support the SENCo in determining and implementing appropriate access arrangements
- ▶ Provide a statement for inspection purposes which details the criteria the centre uses to award and allocate word processors for examinations

4. [Internal assessment and endorsements](#)

Head of centre

- ▶ Provides fully qualified teachers to mark non-examination assessments
- ▶ Ensures an **internal appeals procedure** relating to internal assessment decisions is in place for a candidate to appeal against and request a review of the centre’s marking (see Roles and responsibilities overview)
- ▶ Ensures a **non-examination assessment policy** is in place for GCE and GCSE qualifications which include components of non-examination assessment (For CCEA GCSE centres this would be a controlled assessment policy)

Non-examination assessment policy

[Non-examination Assessment Policy 2018-19](#)

“The centre will...have in place and be available for inspection purposes, a written policy with regard to the management of GCE and GCSE non-examination assessments; (For CCEA GCSE centres this would be a written controlled assessments policy.)”

[[GR 5.7](#)]

“The JCQ requires each centre to have a non-examination assessment policy in place:

- *to cover procedures for planning and managing non-examination assessments;*
- *to define staff roles and responsibilities with respect to non-examination assessments;*
- *to manage risks associated with non-examination assessments.*

A JCQ Centre Inspector will ask the examinations officer to confirm that such a policy is in place. The guidance provided in this document will help the head of centre to ensure that the centre’s

policy is fit for purpose. The policy will need to cover all types of non-examination assessment.”
[NEA 1]

- ▶ Ensures any irregularities relating to the production of work by candidates are investigated and dealt with internally if discovered prior to a candidate signing the authentication statement (where required) or reported to the awarding body if a candidate has signed the authentication statement

Senior leaders

- ▶ Ensure teaching staff have the necessary and appropriate knowledge, understanding, skills, and training to set tasks, conduct task taking, and to assess, mark and authenticate candidates' work (including where relevant, private candidates)
- ▶ Ensure appropriate internal moderation, standardisation and verification processes are in place

Head of department

- ▶ Ensures teaching staff delivering legacy GCE unitised AS and A-level qualifications (which include elements of coursework) and Entry Level or Project qualifications follow JCQ [Instructions for conducting coursework](#) and the specification provided by the awarding body
- ▶ Ensures teaching staff delivering GCE & GCSE specifications (which include components of non-examination assessment) follow JCQ [Instructions for conducting non-examination assessments](#) and the specification provided by the awarding body
- ▶ For other qualifications, ensures teaching staff follow appropriate instructions issued by the awarding body
- ▶ Ensures teaching staff inform candidates of their centre assessed marks as a candidate may request a review of the centre's marking before marks are submitted to the awarding body

- ▶ Ensure candidates are aware of JCQ and awarding body information for candidates on producing work that is internally assessed (coursework, non-examination assessments, social media) prior to assessments taking place
- ▶ Ensure candidates are informed of their centre assessed marks as a candidate may request a review of the centre's marking before marks are submitted to the awarding body

Exams officer

- ▶ Identifies relevant key dates and administrative processes that need to be followed in relation to internal assessment
- ▶ Signposts teaching staff to relevant JCQ *information for candidates* documents that are annually updated

5. [Invigilation](#)

Head of centre

- ▶ Ensures relevant support is provided to the EO in recruiting, training and deploying a team of invigilators
- ▶ Ensures, if contracting supply staff to act as invigilators or to facilitate an access arrangement, that such persons are competent and fully trained, understanding what is and what is not permissible
- ▶ Determines if additional invigilators will be deployed in timed Art exams in addition to the subject teacher to ensure the supervision of candidates is maintained at all times

Exams officer

- ▶ Recruits additional invigilators where required to effectively cover all exam periods/series throughout the academic year
- ▶ Collects information on new recruits to identify if they have invigilated previously and if any current maladministration/malpractice sanctions are applied to them
- ▶ Provides a training event for new invigilators on the instructions for conducting exams and an annual update event for the existing invigilation team so that they are aware of any changes.
- ▶ Ensures invigilators supervising access arrangement candidates understand their role (and the role of a facilitator who may be supporting a candidate) and the rules and regulations of the access arrangement(s)
- ▶ Ensures invigilators are briefed on the access arrangement candidates in their exam room (and that these candidates are identified on the seating plan) and confirms invigilators understand what is and what is not permissible
- ▶ Collects evaluation of training to inform future events

Entries: roles and responsibilities

6. [Estimated entries](#)

Exams officer

- ▶ Requests estimated or early entry information, where this may be required by awarding bodies, from HoDs in a timely manner to ensure awarding body external deadlines for submission can be met

Estimated entries collection and submission procedure

EO sends out an information gathering form to all HoDs for them to complete at the beginning of the Autumn term.

EO collates all the information on a spreadsheet which then serves to inform Census, estimated entries, BTEC registration, November GCSE examination entries and January BTEC written examination entries within the Autumn term.

EO submits the necessary estimated entries information through the relevant awarding body's website, meeting the external deadlines.

- ▶ Makes candidates aware of the JCQ **Information for candidates – Privacy Notice** at the start of a vocational qualification or when entries are being processed for a general qualification

Head of department

- ▶ Provides information requested by the EO to the internal deadline
- ▶ Informs the EO immediately of any subsequent changes to information

7. Final entries

Exams officer

- ▶ Requests final entry information from HoDs in a timely manner to ensure awarding body external deadlines for submission can be met
- ▶ Informs HoDs of subsequent deadlines for making changes to final entry information without charge
- ▶ Confirms with HoDs final entry information that has been submitted to awarding bodies
- ▶ Ensures as far as possible that entry processes minimise the risk of entries or registrations being missed reducing the potential for late or other penalty fees being charged by awarding bodies

Final entries collection and submission procedure

This is the process for the Summer season, but the same process applies for November and January just with different timings:

- EO sends out data collection sheets produced using the centre's MIS in order to confirm which candidates are being entered for which examinations – this is produced based on the information received from the information gathering exercise in the Autumn term
- These data collection sheets are released to HoDs at the beginning of January with a two week deadline to return the information
- EO then enters all the returned information into the centre's MIS and produces a second set of data collection sheets that detail which candidates are entered for which examinations
- EO cross-references returns with the information gathering spreadsheet to check that all qualifications have been accounted for
- HoDs check the second set of data collection sheets and sign to agree that entries are correct or inform the EO of any changes that need to be made
- It is the responsibility of the HoD to ensure that the unit entry codes and cash-in codes, as necessary, are all correct
- Once the second set of data collection sheets have been returned and all changes made then the entries are submitted to the awarding bodies using A2C

- EO to provide subject area with a new copy of the data collection sheet if any changes have been made
- EO to provide staff with the internal deadlines for withdrawing or making amendments to entries, after which avoidable changes will be charged to the subject area's own budget

HoD to inform EO of any changes to entries as soon as they become aware of them

Head of department

- ▶ Informs the EO immediately, or at the very least prior to the deadlines, of any subsequent changes to final entry information, which includes
 - changes to candidate personal details
 - amendments to existing entries
 - withdrawals of existing entries
- ▶ Checks final entry submission information provided by the EO and confirms information is correct

8. [Entry fees](#)

Entry fees are taken from the Examinations budget held by the EO.

EO ensures that they keep records of budget spend on entry fees and other examination costs.

If avoidable late fees or other penalties are incurred due to subject areas not meeting internal deadlines or other preventable errors, then the additional cost will be taken from the relevant departmental budget.

If candidates fail to sit their examinations their families will be asked to pay the examinations fees, unless there are exceptional circumstances.

9. [Late entries](#)

Exams officer

- ▶ Has clear entry procedures in place to minimise the risk of late entries
- ▶ Charges any late or other penalty fees to departmental budgets

Head of department

- ▶ Minimises the risk of late entries by
 - following procedures identified by the EO in relation to making final entries on time
 - meeting internal deadlines identified by the EO for making final entries

10. [Re-sit entries](#)

Re-sit entry fees are taken from the Examinations budget held by the EO for the first re-sit attempt, any further attempts will have to be paid for by the relevant subject area or the candidate themselves.

EO ensures that they keep records of budget spend on entry fees and other examination costs.

With regards to those students in 6th Form who may re-sit English and/or Maths more than once in order to try and achieve a grade 4, all examination fees will be paid from the Examinations budget held by the EO unless it is decided otherwise by the Head of 6th Form/6th Form Team.

11. Private candidates

Entry fees must be paid in advance of entering private candidates, these charges are received by the admin team and paid directly into the Examinations budget.

 - when and how certificates will be issued

Access to scripts, reviews of results and appeals procedures

Subject teacher, HoD and Senior teacher make a decision about which post results service(s) need to be applied for, and for which candidates. If a candidate makes a request for PRS then they need to discuss it with the relevant HoD in the first instance.

HoD needs to gain approval from the head of centre to go ahead with ATS or RoR requests.

Once approval granted the HoD will approach EO and EO will attempt to secure approval from the candidate.

HoD passes the paperwork to the EO, by the internal deadline set, who competes the application through the awarding body's secure site as appropriate.

EO keeps records of all requests and their outcomes, communicating the results to the staff and candidates as appropriate.

If candidate wishes to request an ATS or RoR service that is not supported by the centre then they can complete the paperwork, pay the appropriate fee and the EO will process the application on their behalf.

"The centre will...have in place written procedures for how it will deal with candidates' requests for access to scripts, clerical checks, reviews of marking, reviews of moderation and appeals to the awarding bodies. Details of these procedures must be made widely available and accessible to all candidates. Candidates must be made aware of the arrangements for post-results services before they sit any examinations and the accessibility of senior members of centre staff immediately after the publication of results..."

[GR 5.13]

"The centre will...treat all candidates equally, including private candidates, throughout the examination process. This would also extend to post-results services and appeals."

[GR 5.6]

"Senior members of centre staff must be accessible to candidates immediately after the publication of results so that results may be discussed, and decisions made on the submission of enquiries. If the candidate is intending on arriving late for the examination then families should be informed that the candidate should not have any access to any form of communication i.e. mobile phone, internet, etc. from that point to ensure the integrity of the examination.

All feedback is given directly to EO or Exams Admin team who then pass it on to invigilators in the exam room so that they know whether to expect late candidates.
